COVID-19 NEWS

Dear Guests,

Ayubowan..!

As the world is confronting the difficulties of managing novel coronavirus (COVID-19), we wish to keep you educated about the progressing compelling advances which we are taking at Thambapanni Leisure Hotels to help you and your itinerary items. As the circumstance around coronavirus keeps on advancing, we also will set up the most recent prescribed measures to forestall the spread of the deadly virus.

Thambapanni Leisure group want to guarantee you that we are following the rules and proposals of national and worldwide wellbeing specialists and governments. The wellbeing and security of our visitors and colleagues remains our most extreme need. Because of the coronavirus, we have taken extra precaution measures to limit the spread of the infection. We have expanded the recurrence of cleaning our open territories (including lobbies, elevators, door handles, sanitizing luggage & room keys, public bathrooms, etc...).

We has taken measures to adjust our food and beverage service in accordance with current food safety recommendations. We have put antibacterial hand sanitizers in every single open area.
